

# Download the App

Follow the instructions below to download the DaVita Care Connect™(DCC) mobile app for Android and iPhone devices. Note: Your device may appear different based on the brand used (Android vs. iPhone).

## DOWNLOAD FROM EMAIL

To complete these steps you will need to open your email on your mobile device. If you are unable to open email using your mobile device follow the steps on the next page.

- **Step 1:** Open the *Invitation Email* from DaVita using your mobile device.
- **Step 2:** Tap *Download Application*. The app will automatically download to your device.

**Note:** When you open the app you will be asked to allow for *Push Notifications*. We recommend tapping **Allow**. If you do not you will not be notified of new messages, appointment reminders, or appointments invitations.

\*You must have an Android or Apple device to participate. The Davita Care Connect™ application is free to download, however you will be responsible for any data usage or charges related to using the app from your phone or Internet provider.
